

1. Master Flowchart

2. Company Posting + Subscription

3. Direct Mode Credit Flow

- Direct plan adds credits and expiry date.
- Direct application uses same company application table.
- Direct Mode requires resume and initial assessment.

4. Fast Track + Training Partner

- Training Partner connects to Fast Track through courses.
- Certificate connects trained fresher back to company hiring.
- Fast Track application joins the same company review flow.

5. Deadline + Final Hiring

- Custom date controls application deadline.
- After application, Direct and Fast Track candidates use one hiring flow.
