

1. Full Ecosystem Map

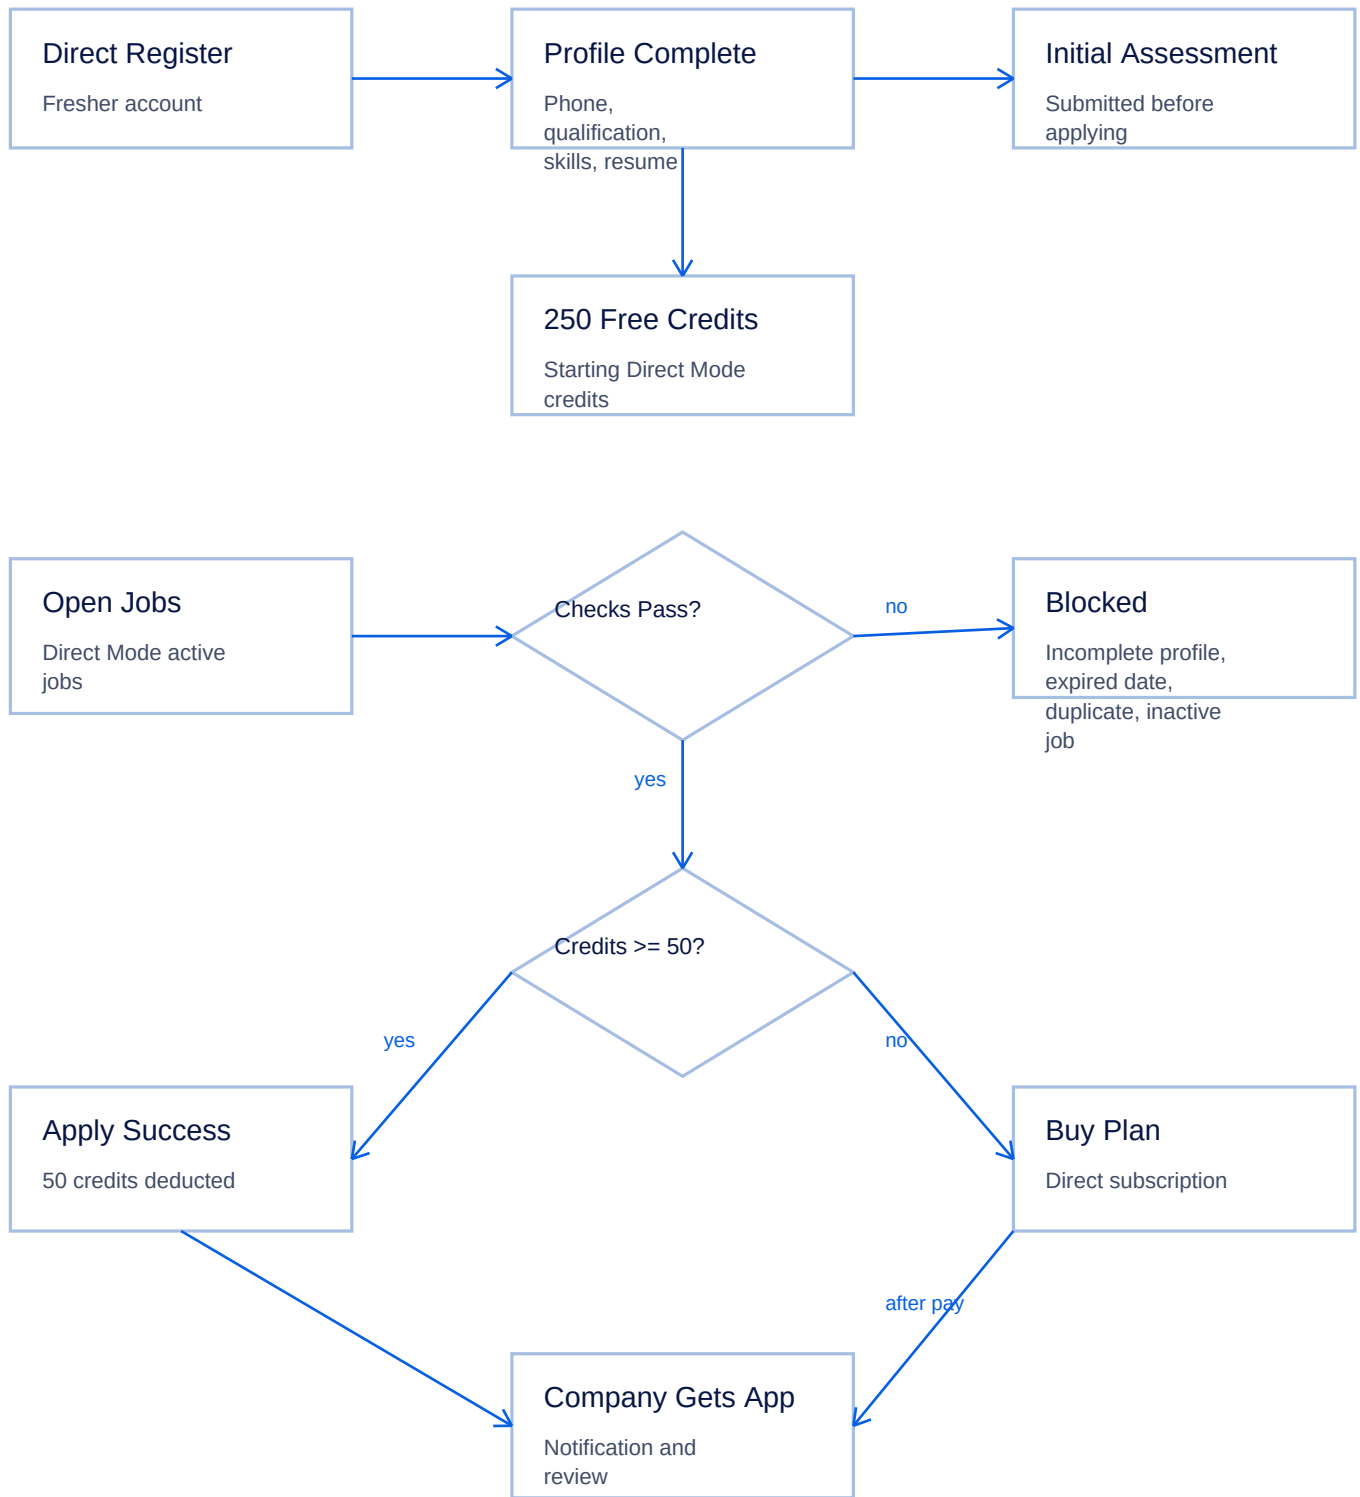

- Same company application pipeline receives Direct Mode and Fast Track candidates.
- Subscriptions only unlock credits; hiring flow remains the same after application.

2. Company + Subscription Flow

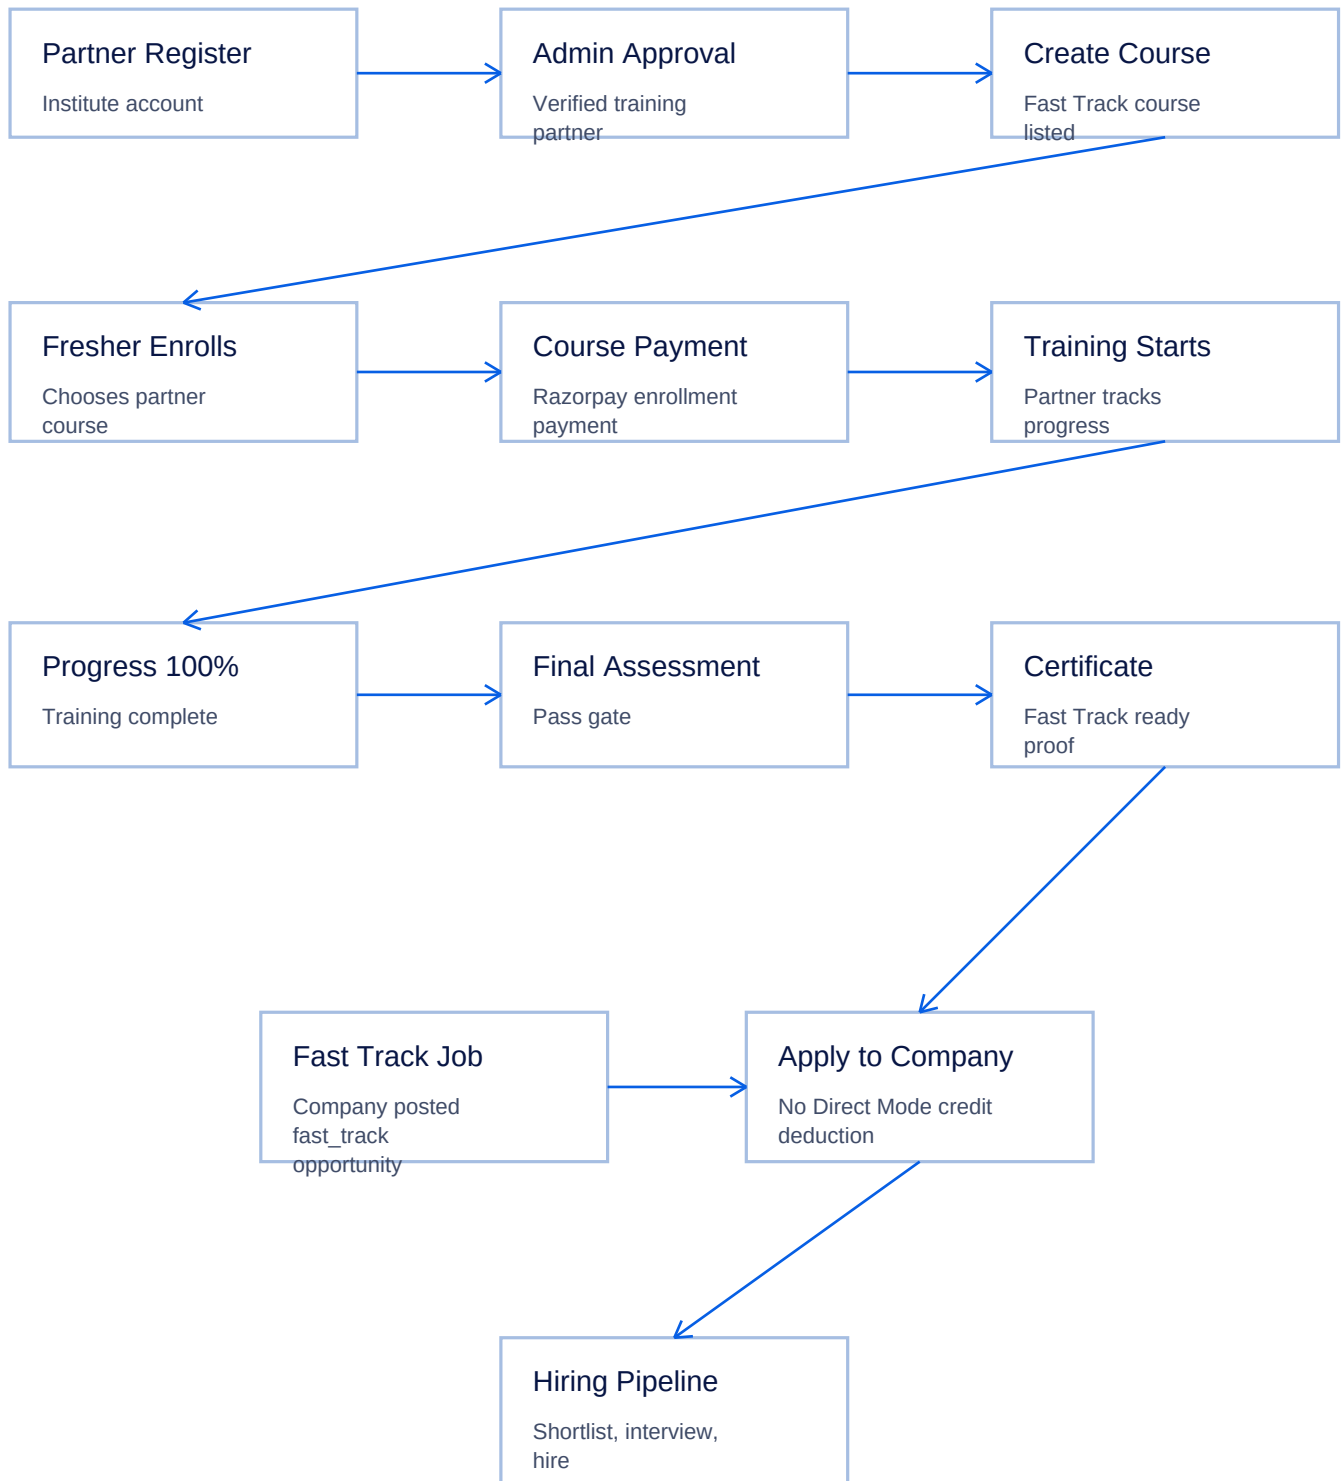

3. Direct Mode Fresher Flow

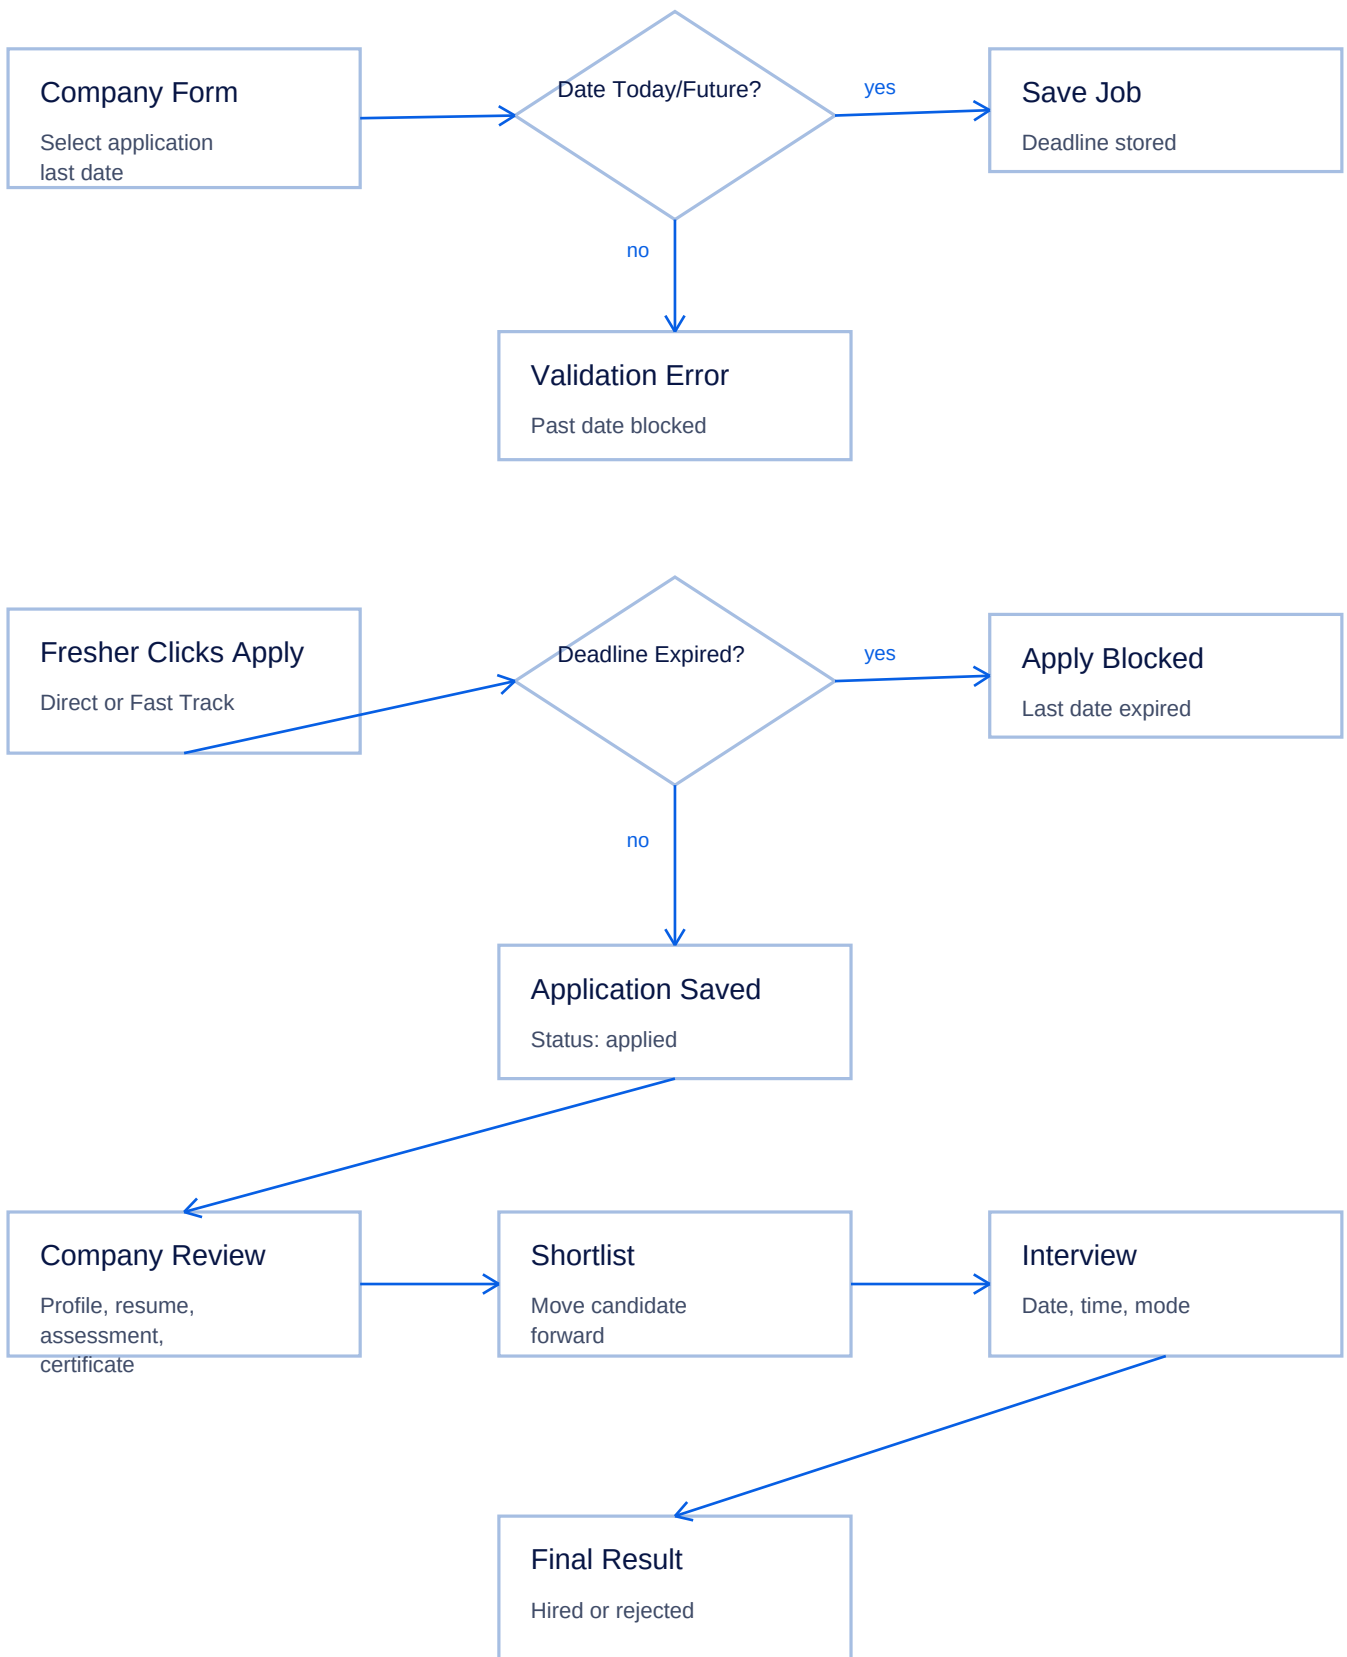

- Direct plan adds credits and expiry date.
- Direct application uses same company application table.
- Direct Mode requires resume and initial assessment.

4. Training Partner + Fast Track Flow

- Training Partner connects to Fast Track through courses.
- Certificate connects trained fresher back to company hiring.
- Fast Track application joins the same company review flow.

5. Custom Date + Final Hiring

- Custom date controls application deadline.
- After application, Direct and Fast Track candidates use one hiring flow.
